

# Encaustic Mixed Media Techniques Workshop

*(Painting with Beeswax)*

**With Mo Godbeer**

Let your creativity run wild, and explore something new, in this two-day, encaustic techniques workshop with Mo.

You need no previous experience, and nothing to bring, only your desire to be creative. Hot molten beeswax and pigments make up your palette as you create unique art on plywood boards.

- Creating Smooth and textured surfaces
- Transferring Images
- Mark Making and Infilling.
- Fusing and Layering wax
- Inks, Graphite, Pastels
- Stencils and Foils
- And Much More!

Mo will share with you many tips and tricks from her vast knowledge of Encaustic. You can expect to take home 2 or more completed art pieces, in addition to your sample reference boards.
